Greetings to you,

My name is Jason Smith; I am Co-Pastor of Lion of Judah Church in Milwaukee WI. I met Mr. Robert Taylor about 6 years ago while doing ministry work at Racine Correctional Institute; he was very faithful to our bible study visits. I started to notice after a while that his participation would encourage more guys to speak as well as attend.

Over the years I got a chance to really evaluate his character, I have knowledge of the crime he committed years ago and I want to say, after watching him for years and getting to know him as he would attend our services as well as through letters he would write to our ministry, I believe strongly in my heart that Mr. Robert Taylor is a changed man! He is truly remorseful of the crime he committed some years ago and the families that were affected and has definitely grown into a better person over the years he's been incarcerated.

We have so much confidence in Mr. Taylor that we have gathered some resources together as far as housing and employment, if the decision is made to release him early we are prepared to keep him on the right track by helping him with housing & employment leads, as well as spiritual guidance.

I truly thank you for your time and pray you will consider our thoughts concerning Mr. Robert Taylor. If you should have any additional questions, please feel free to contact me at 414-873-5466 or via email at lionofjudahkmi@yahoo.com

Thank you again, many blessings

Jason Smith
