

To Mrs. Peggy Swan,

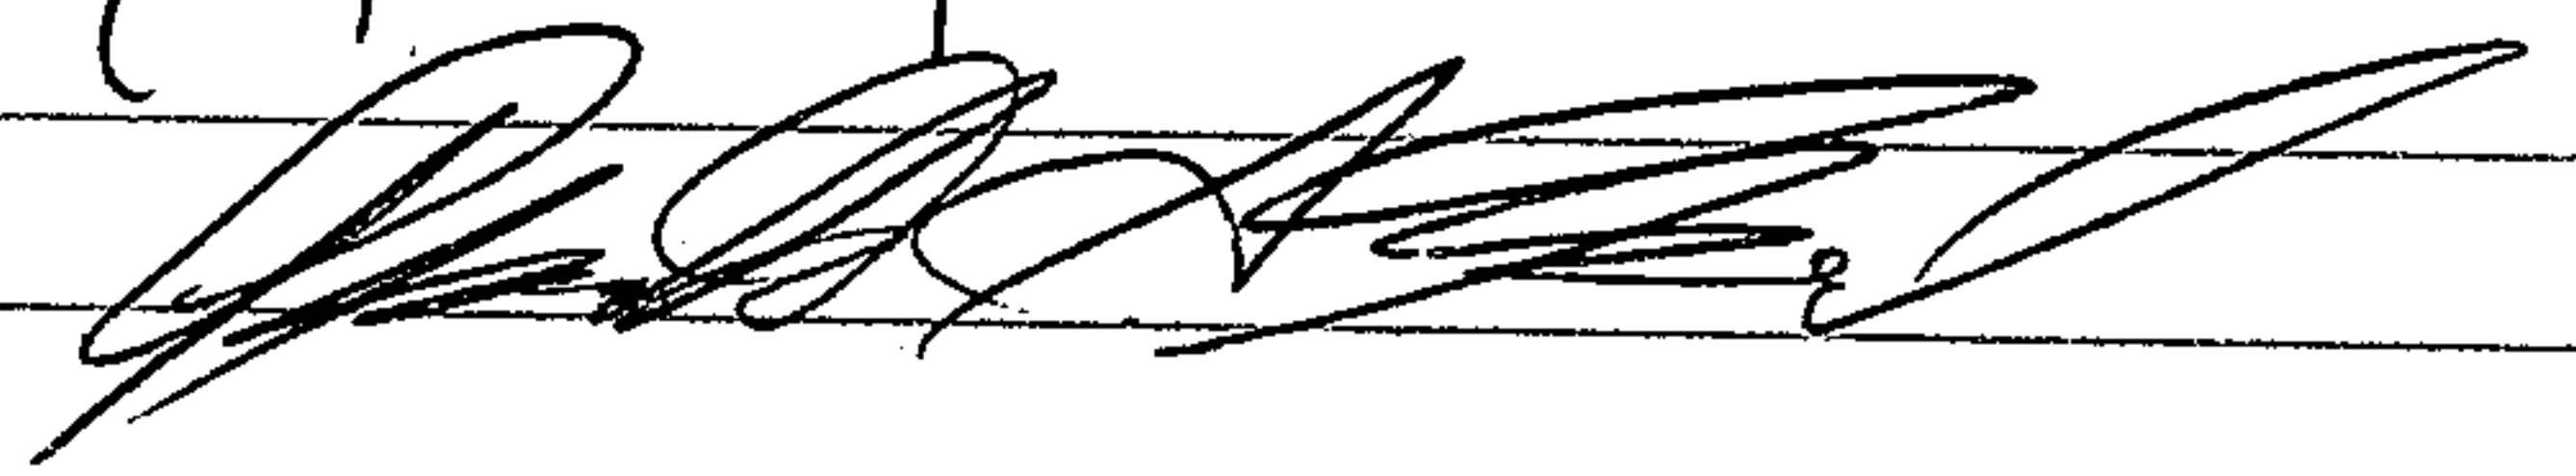

August 23rd 2016

Hello, my name is LaDell A. EVANS. I am a prisoner in The Wis. Doc.

I have heard about the Hunger Strike Movement & and have joined in myself! I'm tired of the bogus stuff that happens behind prison walls. The nurse's dont want people on Meal Monitor / Hunger Strike and letting people get sick. I tired of it and want this stuff to change. If you have any words or Informational Support ~~that~~ can give I would kindly appreciate it.

P.S. Joshua Berrios was taken off of HS but is going back on it with me. They had refused to court order Feed Tube and his skin turned bright Yellow... Like the Simpsons!

Respectfully Submitted
