

Dear Peg

3-14-16

Just got your letter dated 3-10-16. Thanks for responding so soon.

So to up date you a little about Seg now. The Seg unit Manager Mr Paul Ludvizer has made a few new things back in Seg.

1 is if your MH 2A SMI and not doing self harm or suicide attempts you will be housed in Seg on C-upper rang.

The reason Mr Paul Ludvizer did this was because there's no yelling or banging going on in C-upper rang. So its a little better for us. But if your doing self harm or acting out you will be moved to A-rang OBS or control status. But for the most part all MH 2A SMI inmate are now housed on C-upper rang in Seg.

I do have alot of friends who are SMI MH 2A also but cant speak for there history good or bad. But the guys I know that spend most of there time in Seg with out treatment are:

Salvatore Slies #5947039	David Czaplewski #321854	→ MH 2A SMI
Glenn Conroy # ?	Marcus Robinson # 285541	
	Shawn Muphy # 401293	
	Neil Becerra # 247109	
	Bobby Coil # 518792 → MH 1	
	Terrance Grissom # 193184 → MH 2A SMI	

BTW Peg Dogus CR cant even start to tell it. Its same right out B-S but I will be out of Seg on 3/30/16. But Im not in Seg for a CR. They have me in Seg to stop my lawsuit because they know who Im working with but all I can do is hope I get my motion from him in time or I will lose my case and they know it.

Now if you have any more questions or if I can help just ask. And yes I would love to see the rough draft.

Im Not 100 percent sure if WCI is going with the new rules Mss Cathy Jess DAI came out with. It seems

That alot of the inmates that are MH 2A SMI still get alot of seg time.

This is something that should be looked into. I do know this of late Dr Ian Burne is giving out conduct reports to inmates that OD on meds to committ suicide. Now thats something Mr James Green in Madison should know about I think. I dont have the stamps right now to do that. When I get back to GP I will be better off and be able to contact more people needed.

I will be back in GP on 3/30/16. I will then have my mother contact you with some litigatari's info's, Friends of mine here at WCI.

Now about the whole lead in the water thing. I will talk to my friend and give him Dee Halls info and he will write or type up something beautiful just for that!! But It will have to wait until I get back in GP on 3/30/16.

Its funny man and a guy I know was just talking about the lead problem yesterday, Crazy.

And Im always in Seg, so No I didnt get any Notice about lead in the water in 2014.

I did see a Notice on TV in 2015 I think.

But the Notice was down played like they do with everything.

Take care Peg and if you ever need anything just write!!

Your friend  
always
