APPEAL TO

Warden

DAI Administrator

I am filing this Appeal due to the fact I believe that I should be let out to General Population. Because I haven't been (demonstrated) acts of threats or dangerousness I feel my behavior is very much well appropriate to be in G-P status. I have completed my education, and all types of programs I haven't had a (conduct report) in a long time meaning that resulted in Seg time. I know and believe every body deserves a second chance in the free world and in G-P status. Because I am sick and tired of being in this stagnated position of being in Seg. Also I am known longer apart of recidivism (anymore) in changing for the better for myself and my love ones. Hopefully you can take what I am saying into consideration and possibly let me go back to General Population. End of Appeal...
