

Dearest Hailey & Hannah,

Oct. 31, 2013

Happy Halloween, angels! What was the best part of your week?  
Mine was definitely writing you, as always!!

What did you dress up <sup>as</sup> for Halloween? I wish so badly I  
could see you in your costumes. Girls, I'm working on some  
things to be able to see you. It may take some time but I'm  
working on it. Sound good? Would you like to see me? We have  
so much catching up to do and I would like to hear all  
about you. Boy, that will be so nice and I'm looking so  
forward to it. I'm trying, girls - I really am. Please take  
some pictures of yourselves in your costumes. I'd love to see  
them.

I miss you both so much and think of you often.

Goodnight, sweet dreams, I love you...

Love always & forever,

Daddy
