Statement (couple paragraphs)

I created a ideal that will stop Robbery by 70% around the U.S.A I would love for Tony Evers's help plus is a Billion dollar safety ideal. I wrote a 30 Book for kids to stop gun violence I been throw it in change my way's of gun violence for good willing to work with community service in exchange above upon release I'm still due this on my own if not but this will look very good for New Governor.
