Staff Comments: Miller, Earl takes pride in his job and his work area. He makes sure that all of his equipment and his work area is clean and everything is in proper working order. If there is a problem with anything he brings it to the staffs attention so it can be addressed. He also works well with staff and his peers alike. He has an overall good attitude and is very good at his job as a barber. Miller completed his 2 year commitment working here on B-unit. He was then transferred to A-unit 2 days after his commitment was done here on B-unit. I would give him a good job reference for the same position anytime.
