### Statement

I was out of prison since 2006 and was doing very well for  
about 11 yrs and somehow stumbled into a substance abuse issue,  
and spiraled out of control, and now find myself back inside taking →

responsibility for my actions, and addressing my issues so I get my  
life back in order, mind you my original case is from 1996 and I was  
19 years old, I'm 43 now and haven't caught a new case since. Thank  
you for your consideration.
