13) Do you have a verifiable Support System?

Will be - and need - to utilize Urban ministries  
Program located at 2115 S. Park Street, Madison, WI  
53713; And for Porchlight Inc., 306 N. Brooks Street,  
Madison, WI. 53715 (608)257-2537; These organizations  
provide housing, employment and employment training, as well  
as Transportation for ex-prisoners who have no familial  
Support resources.

14) I am not the same person that I was when I was first  
incarcerated, I was a teenager, regret what I've done to my  
victims, have taken every opportunity given to me to participate  
in and complete available treatment programming and educational  
needs required. I've been eligible for parole for 7 years, and  
a guy with 2 consecutive life sentences was just given a grant  
from the parole board. I've been incarcerated for almost 40  
years, and am an elderly man. I would like the opportunity to  
be a productive - and tax paying - member of society again; also  
I was addicted to drugs heavily at the time of my offense.  
Any other attempts that I've made to get into other various  
rehabilitative treatment programs, have been denied due to my  
sentence structure, because they give them to inmates with short  
sentences first, as a priority policy of The DOC's.

Respectfully Submitted,  
Robert McRoberts
