RE: COVID-19 AT CCI

Dear PEGGY,  
Please find enclosed (6) packets of Hygiene handouts  
for people in the Hole (AKA: DSI AND DSII).  
Also I have enclosed:

- (1) DSII (step-2) canteen list Before Sue NOVAK  
Took everything off the canteen, to Brush your teeth  
Wash your body, or use Deodorant. The date on it  
is April 2018.
- (2) A DSII (step-3) canteen list with even more options to  
care for your hygiene, dated April 2018, Before she got here.
- (3) A DSII canteen list severely limited everything you can  
buy from the canteen under Sue NOVAK, dated 7/31/19
- (4) Now, some time around NOV. or Dec. 2019 she simply  
prohibited us from buying any hygiene items AND it  
like that now, in DSI AND DSII. AND they are pass-  
ing out the packets enclosed, ONE each, ONE time a  
week. DSI gets ONE shower per week, AND DSII

only 2 showers. THAT is NOT enough to stay clean during this COVID-19 Virus, madness.

(5) AND this was intended to be mean spirited (see G.P. Canteen List) by SUE NOVAK.

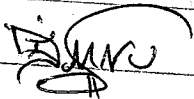

(6) A Property Restriction she put in place in the Hole dated April 16, 2019.

(7) the so-called DSTI rules for one of the Holes:

(8) A memo dated JAN. 4th, 2019, TAKING the Razors from seven days a week to three days a week.

The packet NOT open, I did THAT so you'll see just how small the portions are, and we are expected to go an entire week with ONE packet each.

well allow me to close for now, but if you have any questions W/B ASAP.
