I was getting my coat out of the back room of my uncle's girlfriend's house after being asleep. I stumbled over the girl and she freaked out. I stayed while the police were called, figuring it was a misunderstanding, but was surprised to be arrested. I was on the phone from jail trying to get her to tell the truth and so I also got intimidating a witness.

12. Explain the extraordinary circumstances that you believe warrant a waiver of the Governor's eligibility rules. For example, an extraordinary circumstance could be, but is not necessarily, the fact that the conviction prohibits you from obtaining specific employment. However, the desire to hunt or possess a firearm for hunting purposes does not constitute extraordinary circumstances.

~~I was told I would get five years, 2 in, 2 out.~~  
I am actually innocent of this crime. I appealed my plea to the court and lost. The victim has come forward and recanted. Her father did <sup>(he just got arrested)</sup> it. I need help getting a post conviction motion. (This inmate also has asthma, cognitive learning challenges, he has scoliosis. He would live with a female in Milwaukee.)

I certify that the information in this application is true to the best of my knowledge.
