Ms. Swan;

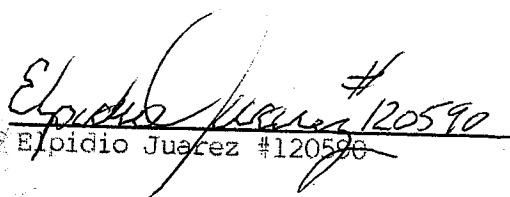

- 1) Name: Elpidio Juarez #120590
- 2) Date of Birth: April 18, 1962
- 3) Social Security Number: I can't remember it, been in for 35 years
- 4) Type of executive clemency requested: Commutation
- 5) Have you applied for an eligibility rule waiver before: NO
- 6) Reason why waiver is requested: I'm currently incarcerated
- 7) Mailing address: Jose Juarez
121 Collins Ct.
Blue Mound, Tx. 76131
- 8) Home address: Is the same as above
- 9) Telephone Number: I do not have that infor, but able to get it
- 10) Crimes for which you will receive executive if waiver is Granted:
Crimes: Sexual Assault Date of Conviction: 1984 Date of Sentence: 1984
- 11) I really don't understand why it's necessary for me to relive these mistakes; I have tried to explain my actions and behavior, however there will never be an excuse for what I have done. NO amount of sorries, NO amount of apologies will undo what I put this person through; I've tried to offer an explanation for my behavior and actions, but there isn't one, simply because no one should have gone through that ordeal I put this person through. Do you understand for 35 years I fought with myself, and will continue for the rest of my life, and there is nothing I can do to change that reality...
- 12) Like more who are requesting this form of clemency, I would like to go home; However I believe that I might be in danger due to the fact that in 2019 of October I came down with Shingles of the mouth. I've been fighting this disease ever since; I have been informed that because I fall into a particular

spectrum, because of where the shingles hit me, meaning that I'll be fighting this sickness for a year from what I've been told; I'm still taking medication, and as recently the doses were upgraded due to the pain I'm still having. What I'm afraid of is that, if somehow this virus happens to get in here I might have to fight two fronts, Shingles and this virus. I'm not too sure if getting this virus will make my conduction anymore worst, but I really don't want to find out; Therefore I'm requesting a Commutation;

As you can see from the address, my brother is willing to allow me to move, and is willing to even give me a job at his company "Economic System" he works from home. I know the work, simply by working for the some of the Institutions I have been in, so the transition would not be difficult.

Think you for your time regarding this matter...

Respectfully Submitted;
