11. Describe (do not just list) the crime(s) identified in Question 9. Explain the circumstances surrounding the crime(s), and why you committed the crime(s). Attach additional sheets of paper if necessary.

I fought my cases because the man they're looking for have teardrop tattoos on his face and I do not for 1 or both counts I don't know, my case was a cover up and I was railroaded and given time I don't deserve their IS land was no physical or scientific evidence that points at me only testimony from victims that were lead by the prosecutor, and due to fights with the family members that also testified against me as well as an ex-girlfriend, when people are mad, and are traumatized by events in their life, they tend to do things that they think will give them closure, including big mistakes.

12. Explain the extraordinary circumstances that you believe warrant a waiver of the Governor's eligibility rules. For example, an extraordinary circumstance could be, but is not necessarily, the fact that the conviction prohibits you from obtaining specific employment. However, the desire to hunt or possess a firearm for hunting purposes does not constitute extraordinary circumstances.

Due to the COVID 19 outbreak and civil suits I have previously filed against the D.O.C case number 16-cv-1425 and 16-cv-1053 which recently settled and most recently ~~19-cv-616~~ 19-cv-616 which all are claims that this institution can not meet under the burden of evidence that involves my asthma which is worse and is being handled negligently / cruel and unusual punishment. I have an underlying medical condition and it's not safe for me here, I would just like to be placed on ~~the~~ the bracelet / House arrest, until this pandemic is over.

I certify that the information in this application is true to the best of my knowledge.
