Hello Peg,

THANK YOU SO MUCH FOR getting back to Me So Promptly, and for the Waiver Form. I will be sending it to you in a day or so. we also asked my Daughters to contact you A.S.A.P.

I wanted to update you on the minimal efforts of the Prison Staff and Warden Jess here at O.S.C.I. The Staff on my unit especially Sgt Hutson, Treat us as if we are the ones who are bringing the Virus into the Prison ??? What! We dont leave the Prison. These Guards, etc are the ones who are potentially infected and should be ordered to wear masks and gloves at all times, they walk around Breathing, Laughing, Sneezing and Touching every thing that we too have to touch. He personally treats us inmates as if we are the Virus. The Warden herself comes on the unit unmasked, un-gloved, we have substandard cleaning supplies for our hands, they give us go so basically a Garage Hand Cleaner? any masks that "may be available" are NO where to be seen, there are 10 staff out with the Virus according to the D.O.C. web site. Plus the many inmates who have it that are all Bieng Delayed Reported to the Public its disgusting to realize the lengths that CORR, Jess, + D.O.C. will go to to Hide info to the outside, its always days - weeks delayed →

They are all so Scared of Losing their Job Security
IF any of us get out Early, God forbid! THAT everything gets
minimized when finally Reported to Public ???
Again Reg. you and yours are our Light at the
end of the Tunnel, we are trapped, Scared,
and Living in Fear, in here. D.O.C. only has their
Jobs at Heart, Not our best interest. We
are basically Cattle to these People, and treated
as such in many, many, ways! This is Very
UN Constitutional, ILLEGAL, as well as in Humane
the Position we are in.

Thanks for helping us. :-)

P.S. When is the dead line for Returning the
Waivers? I am Making Copies for others
to send.

When is the Media Event that Gov Evers will
be presented with the Waivers?

Enclosed ① Envelope for your
convenience / use?

Respectfully;
