ii. I was convicted of child Abuse Recklessly cause great bodily harm. I have 7 children and my 2nd to youngest is the one that was hurt. I was giving her a bath so I put her in to the sink with the water still running like I had always done I stupidly left her in the sink to go get her soap off the kitchen by the time I came back she had kicked the cold water and only hot water was ~~com~~ running down on her when I noticed I took her out the sink and took her to the hospital. I am in no way making excuses for what happened it was my fault I shouldn't have left her alone. But now I have another child that needs me at home cause the disease he has he could die from it and I don't wanna be ~~locked~~ locked up if he dies please consider adding the rest of my time to my probation.

Thank you
Ms. Shorn
