

I'm adding to the letter I've signed a release of information form to WRC, its the Hippa form so you can get any kind of information about me. I made them take the form, they were acting like they weren't suppose to take it, I checked the one box on the form where you can call WRC an ask them anything about me. I release all my information to you, in the mean while I'll be waiting to hear back from you when ever you find the time.

Thank you again for all your help, I look forward to hearing from you.

Respectfully,
Armonio Cornelius.
