Dear Ms. Peg,

I received your letter and the "Waiver Request For Executive Clemency." Thank you very much.

Also, before I received your letter and the Executive Clemency from you, I requested to the warden, Mr. G. Boughton, the form from "Covid-19" and he sent me three (3) forms, from six (6) sheets each form, but I don't know IF I must fill or not these forms. So, I'm sending to you one of the three forms that I have received from the warden, because I don't know if I must fill these forms, but also, because I don't know how to fill these forms. So, I would like very much your advice and help about these forms, because I don't understand well English.

Dear Ms. Peg, so I hope your advice and help with these forms; and I also, I enclosed two sheets more from Immigration and my conviction and sentence from my case: K-2783.

So, please tell me what to do about it, Ms. Peg, because I don't know what to do. Thank you very much for your time, attention and help about my case.

Sincerely,

*Juan M. Navarro*
