RE: I'm requesting your help to get medical treatment for my HIV condition while this COVID-19 crisis is going on to prevent me from contracting COVID-19 and dying from COVID-19 and HIV complications

Hello, I'm an innocent man wrongfully convicted of the crime charged in 1999 sexual assault Milwaukee County WI. Case 99CF4849, I have been fighting to prove my innocence for 20 years, I have HIV, Human Immune Virus and I need help getting medical treatment for my HIV condition, in May 2020, Green Bay Corr. Inst health service nurse practitioner Sue Peters discontinued my ensure nutritional treatment for HIV wasting and Sue Peters and the Wisconsin Department of Corrections Secretary Kevin Carr discontinued out patient follow-up medical treatment by transport to University Wisconsin hospital clinics from the infectious disease specialist, in retaliation for me filing challenges to my criminal conviction and lawsuits against the Governor of Wisconsin, the DOC, Secretary Green Bay Corr. Inst Sue Peters, and GBCI prison officials in court, Willie Simpson v. Gov. Tony Evers and Kevin Carr Case 18-cv-467 (to strike down truth in sentencing legislation) in the U.S. District Court, Western District of Wisconsin)
