Have y'all heard of other prison's only making inmates wear masks when the National Guard is there?

Cause at OSCI they told us that we only have to wear the masks when the Guard are here.

I know y'all are very busy and I greatly appreciate all that you do and I plan on donating alot when I get out and start driving Truck again cause I would hate for you guys & gals to stop helping us inmate's.

I'm writing to you because OSCI have denied several emails I've tried to email y'all.

Thanks for all y'all do !!

sincerely
